Purpose: Collecting litter and reporting any other issues we find to the relevant Council team for follow up action.

Equipment: We will supply litter picker sticks, gloves and rubbish bags. Please bring your own litter picker if you have one. Buckets are also useful as an alternative to keeping litter bags open. We will collect in rubbish bags at the end.

Safety: We will give a short briefing at the start of each session and will stick together as a group. We will have a first aid kit. We will socially distance and please do wear a mask if you wish.
